2019 FCA Golf Classic

Southern AL FCA is excited to announce the **2018 FCA Golf Classic** will be held on Tuesday, May 7, 2019 at the beautiful **Steelwood Country Club** in Loxley, AL.

Players will have the opportunity to help raise funds to support the ministry of FCA in Alabama and enjoy a round of golf on one of Alabama's premiere golf courses. Last year, 130 local qualifying tournaments, in 36 states, were held around the country to help support the ministry of FCA to reach athletes and coaches with the life-changing message of Jesus Christ. There will great prizes, and of course, a steak lunch. We are excited to be able to host such a competitive golf tournament in Southern Alabama. We hope that you will come out and join us at the Steelwood Country Club for a great time of golf, food, fun and fellowship!

SPECIAL NOTE!

We are pleased to announce this tournament is once again a qualifying tournament for the FCA National Tournament held each November at TPC Sawgrass. The top six winning teams (three Gross Score winners and three Net Score winners) will advance to the state tournament held at FarmLinks Golf Club in Sylacauga, Alabama in Fall 2019. The winners proceed to the National Tournament.

FORMING TEAMS

- All teams advancing to state level must be formed using the FCA Scramble Handicap System. (see chart below)
- Teams will consist of four amateurs.
- All participants must either have an official USGA handicap or know their approximate score for 18 holes of regulation golf (must be accurate).
- Identify each participant's FCA handicap on the FCA Scramble System chart, either using the USGA handicap or the average score for 18 holes of regulation golf (must be accurate).
- Add plus (+) handicaps and subtract any negative (-) handicaps to determine your teams total FCA handicap.
- 80% of the team's total handicap will be used for the competition. The team's FCA scramble handicap must total no more than minus seven (-7). If the team total is more than minus seven (-7), the team will be assigned only a minus seven (-7).

IMPORTANT: Each golfer must have their USGA handicap or approximate score on 18 attested by a PGA or another golfer (and God!). The team's FCA scramble handicap will remain the same at every level of tournament play.

PLEASE NOTE:

Six teams will advance to the State Tournament – three Lowest Gross Score Teams and three Lowest Net Score Teams Based on FCA Handicap.
